

Mission Statement

To provide comfort, support and hope to cancer patients and their families.

- The Foundation was established in 1995 in memory of Marlene and Michael Neely who lost their battles with cancer.
- Since the Foundation's inception, on average, \$0.91 of every dollar raised goes directly toward The Cam Neely Foundation for Cancer Care programs.
- Over \$25 million has been raised since our inception in 1995.
- 1997 groundbreaking and opening of The Neely House at Tufts Medical Center.
- 2000 expansion of The Neely House from eight to sixteen apartments.
- 2001 Neely Cancer Fund established as second major program. The Fund supports initiatives that impact cancer patients directly.
- 2002 The Neely Center for Clinical Cancer Research opens, providing cancer patients and their families more rapid access to important new cancer studies and treatments.
- 2004 The Neely Cell Therapy and Collection Center opens, providing necessary stem cell collection services to outpatients in a warm and comfortable setting.
- 2005 The Foundation makes largest pledge in Tufts Medical Center's 200 year history – a \$5 million commitment to establish The Michael Neely Center for Brain Tumor Care and Research.
- 2006 renovation of the Neurosurgery Department and Outpatient Clinic.
- 2006 purchase of over \$1 million of neurosurgical equipment allowing surgeons to perform less invasive surgery.
- 2007 The Neely House celebrated its 10th Anniversary in November.
- 2008 Minimally Invasive Neurosurgical Operating Suite opened.
- 2008 The Pediatric Bone Marrow Transplant Unit at the Floating Hospital for Children opened in August.
- 2010 Opening of the Pediatric Hematology/Oncology Outpatient Clinic in January.
- 2010 March marks the 15th anniversary of the Foundation.
- 2011 The Michael Neely Neuroscience Center opened in April and is the final phase of The Michael Neely Center for Brain Tumor Care and Research. The Center has 15 beds; 8 ICU and 7 step-down.
- Over 5,500 families have stayed at The Neely House.
